MTF DIRECTIVE 2/2017

TO : all affiliated clubs and all members of the Malta Triathlon Federation

FROM : the Council of the Malta Triathlon Federation

SUBJECT : MTF Membership 2017

DATE : 13 January 2017

In an effort to streamline the process by which an athlete, coach, etc is enrolled as a member of the Malta Triathlon Federation, the Council of the MTF, following extensive debate, has decided that :

- In order to give a more leading role to the affiliated clubs, membership with the MTF shall, ideally, be put forward by the said clubs rather than individuals;
- That the person asking for membership should obtain the endorsement of his/her club during the application phase of membership. The registration fee and registration form shall be thus passed on to the affiliated club, which, in turn will endorse and pass the application form and fee to the MTF;
- That the registration fee for membership with the Malta Triathlon Federation shall be of €25.00 for normal membership and €5.00 for persons under 18 years of age;
- That the process of membership shall ideally be concluded by early February 2017, and that the affiliated clubs are kindly asked to pass on the membership requests with all the relative forms and fees by not later than February 10th 2017;
- That any registration form received without the endorsement of the club shall be deemed that corresponding application as an request for autonomous applications;
- Requests for autonomous applications shall be entertained even though ideally all membership requests shall pass through the membership and endorsement of one of the affiliated clubs;
- For clarity's sake, the clubs affiliated with the MTF are B' Kara St. Joseph SC, St. Patrick's AC, Mellieħa AC, Pembroke Athleta Club, Agones SFC and Mosta Cycling Club.

The measures of this directive shall enter into force with immediate effect.
